SUBJECT: Project [REDACTED]

NRO 25X1A

REFERENCE: [REDACTED], same subject

1. Reference was forwarded for OEL action but it has not been possible to secure any definitive statement of the problems. I have on several occasions brought the matter up with Mr. Cunningham but there has been no opportunity provided to secure resolution.

2. Project [REDACTED] is proceeding and arrangements have been made by Colonel Geary for supplying the aircraft. I presume from this fact that the problems foreseen by Colonel Geary have not in fact occurred and that this action request can be cancelled.
